BULLETIN~ June 24, 2008
(Next Mailing July 22, 2008)

“He gave me information about the subject of alcoholism which was undoubtedly helpful. Of far more importance was the fact that he was the first living human with whom I had ever talked, who knew what he was talking about in regard to alcoholism from actual experience. In other words, he talked my language.”

- *“Self-support begins with me, because I am part of us-the group. We pay our rent and utility bills, buy coffee, snacks and A.A. literature. We support our central office, our area committee, and our General Service Office. If it were not for those entities, many people would never discover the miracles of A.A.”* (Self-Support: Where Money and Spirituality Mix.) The Baltimore Intergroup always needs the support of its member Groups. This is as important now as it ever has been. Most groups are more than generous in our efforts to be self-supporting. But donations from the Groups have already begun to drop off. Summer is typically a slow time. But please consider helping us to achieve our 7th Tradition goal. There is a self-addressed envelope included for your convenience.
