BULLETIN~ January 22, 2008
(Next Mailing February 18, 2008)

There is only one sure test of all spiritual experiences: "By their fruits, ye shall know them."
This is why I think we should question no one's transformation-whether it be sudden or gradual. Nor should we demand anyone's special type for ourselves, because experience suggests that we are apt to receive whatever may be the most useful for our own needs.
