**BULLETIN~ July 23 2007**  
(July 23, 2007 thru August 21, 2007)

**“It [the seventh Step] is really saying to us that we now ought to be willing to try humility in seeking the removal of our other shortcomings just as we did when we admitted that we were powerless over alcohol, and came to believe that a Power greater than ourselves could restore us to sanity. If that degree of humility could enable us to find the grace by which such a deadly obsession could be banished, then there must be hope of the same result respecting any other problem we could possibly have.”**
